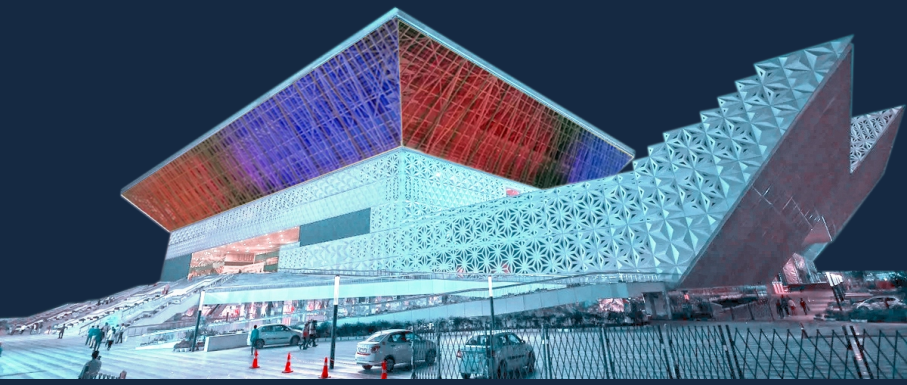
VENUE

YASHOBHOOMI

India International Convention & Expo Centre (IICC)
Dwaraka, New Delhi.



To provide the best experience and convenience to the participants the exhibition was held at Yashobhoomi (IICC), Dwarka, New Delhi which is the state-of-art venue likened to international standards, offering a seamless and enriching experience for all attendees.

With a total area of over 3,00,000 Sq Mtr the venue was a suitable place for Plastfocus 2024 where 300+ live factories could be set up to display. Yashobhoomi with pillarless halls and a clear height of 15 metres and with excellent load-bearing floors set the tone for displaying mega machines which caught the attention of prospective buyers and enable larger turnover in terms of business conducted during the exhibiton Days.

Yashobhoomi is also very well connected. The metro comes right inside the venue, making it very easy to reach the venue from various parts of Delhi. The roads connecting the exhibition centre are very well made and there is a 9-lane expressway coming up to ensure even better connectivity.
